

STUDENT'S TESTIMONIAL AFTER BEING PLACED

This is to confirm that I am a valid APLL Student and after completing my course from APLL Education Centre I have been successfully placed. The APLL has been of immense help to me in the following ways:

1.I have received reasonable assistance from APLL Placement Cell and eventually been placed by them.

2.The APLL course has helped me getting a placement in the industry.

Hereby I would like to mention that above mentioned(1st/2nd/Both) point(s) proved to be instrumental in getting me placement. And I must say, I feel proud to be an “APLL Certified Professional” and would like to thank APLL for making a difference in my life.
