আমি পল্লবী ভৌমিক APLL থেকে আমার SMART COMMERCE কোর্সটি সম্পন্ন করেছি, আরামবাগ শাখা Bright Edutech প্রশিক্ষণ কেন্দ্র থেকে এবং আমাকে সঠিক দিকনির্দেশ দিয়ে সাফল্যের পথে নিয়ে গেছে। পেশাদার বিশ্ব খুব আলাদা এবং এখানে কঠোর পরিশ্রম এবং লক্ষ্যকে কেন্দ্র করে সাফল্য অর্জন করা যেতে পারে। আমি পেশাদার দুনিয়া সম্পর্কে যতিমধ্যে জানতে পেরেছিলাম যখন আমি দেখলাম যে আমার প্রশিক্ষকরা আমাদের কারিয়ারকে রূপ দেওয়ার সময় তাদের প্রচেষ্টাগুলি খুব অর্থবহ উপায়ে রেখেছেন। আমি নিজেকে অনেক ভাগ্যবান বলে মনে করি যে আমি APLL এর একটি অংশ ছিলাম এবং এখন এর সহায়তায় আমি আরও আর্থিকভাবে স্বাধীন। APLL আমাকে যে সুযোগ দিয়েছে তা আর কোথাও আমাকে দিতে পারেনি। ধন্যবাদ এপিএল এর পুরো দলকে। আমি এখানে APLL কোর্স পাশ করা সকল শিক্ষার্থীর জন্য শুভকামনা রইল।

Corporate Social Responsibility

A corporate entity represents the evolution of a society's populace into working professionals. Since, the roots of every corporate entity are in the basic structure of the society, hence it is important that such an entity should act responsibly towards the society and should try to give something back to the social structure from which it has evolved.

This is a philosophy that we have been following in APLL, since our inception. This is why we have always made sure that we fulfill our responsibilities towards the society by helping our fellow brothers and sisters through a myriad of activities.

Over the years we have joined hands with a number of organizations that are involved with humanitarian efforts like blood donation camps. Here is a look at how we at APLL understand and fulfill our social responsibility through our participation in different humanitarian activities.
